ORDERS STRICTLY ENFORCED

Never touch closed airports and closed water-tight doors.

Keep off life boats and life rafts and don't touch their lashings.

No smoking in bunk compartments.

Never spit on decks—it spreads disease—use the spit kits.

Put all trash in waste cans only—never drop any on decks.

Life preservers must not be used as cushions or pillows—it lessens their buoyancy.

Keep on your compartment's deck space.

Stop violators of these rules at once and turn them over to nearest army officer.

Don't lose this ticket—Always carry it with you—you will be required to show it.
