

THE ARMY COOPERATIVE BOOK CLUB

DEFINED

THE ARMY COOPERATIVE BOOK CLUB is a profit-sharing book service placed at the disposal of all individuals and organizations of the Army of the United States who are members of the Club.

CONDITIONS OF MEMBERSHIP

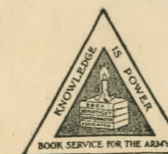

Any individual or organization of the Army of the United States, - Regular, National Guard, or Organized Reserves, - ordering \$5 or more worth of BOOKS at one time AUTOMATICALLY becomes a member of THE ARMY COOPERATIVE BOOK CLUB.

SAVING

Members of THE ARMY COOPERATIVE BOOK CLUB effect a saving of 5 per cent on all BOOKS, BEGINNING WITH THE FIRST ORDER OF \$5 OR MORE, subject to the following special provisions, which are made to eliminate additional bookkeeping and other clerical expense:

1. REMITTANCES MUST ACCOMPANY ORDERS.
2. THE DISCOUNT OF 5 PER CENT MUST BE DEDUCTED FROM AMOUNT OF ORDER BY THE MEMBER HIMSELF WHEN THE ORDER IS SENT.

(NOTE. The saving of 5 per cent is allowed on BOOKS only. Due to our narrow margin of profit on magazines and newspapers, we are unable to allow this saving on periodicals. However, by means of attractive combination or clubbing offers, listed in a special catalogue that will be furnished on request, members can save considerably more than 5 per cent in the case of many leading magazines.)

DESCRIPTIVE CATALOGUE OF SELECTED MILITARY BOOKS

A Complete and Authoritative Guide to Military Literature.

COMPLETE. For the first time in the history of the United States Army, a complete descriptive Catalogue of carefully selected books on every military subject and on every war, classified according to subject, is now available. It is copyrighted and distributed exclusively by the Book Department of The Quartermaster Association, 1624 H Street, N.W., Washington, D.C. The number of pages, year of publication, and brief description are given after the title of every book.

PREPARED WITH THE ASSISTANCE OF MILITARY BOOK EXPERTS. This Catalogue of selected books and guide to military literature was carefully prepared with the assistance of several of the ablest and best-read officers of the Army, - officers of experience, known in the Service as military students.

A RELIABLE GUIDE TO MILITARY LITERATURE. None but the best books are listed, and of these only a comparatively limited number on any given subject, the idea being to place before our officers of the Regular Army, National Guard, and Organized Reserves, a comparatively short list of titles carefully listed by experts, thus facilitating selection, guaranteeing quality, and encouraging the procurement and reading of standard books that will improve officers professionally.

AUTHORITATIVE. The Chiefs of Infantry, Cavalry, Field Artillery, Engineers, Ordnance, Signal Corps, Medical Department, Chemical Warfare Service, Finance, and Air Service, selected the books pertaining primarily to subjects which officers of their respective branches of the Service should know.

The books on general subjects, such as military history, strategy, tactics, etc., with which all officers should be conversant, were selected with the assistance of some of the ablest historians and best-known military students of the Regular Army.

For these reasons, the Catalogue may be considered an authoritative guide in the selection of military books.

FREE DISTRIBUTION. Copies will be mailed promptly to all Reserve officers and others who apply, without cost or obligation of any kind.

(See the reverse side of this sheet for information regarding THE ARMY COOPERATIVE BOOK CLUB.)
